

## Evaluation Kit and Special Offer

Evaluate Indigo free for 30 days and receive \$250 off of your first purchase.

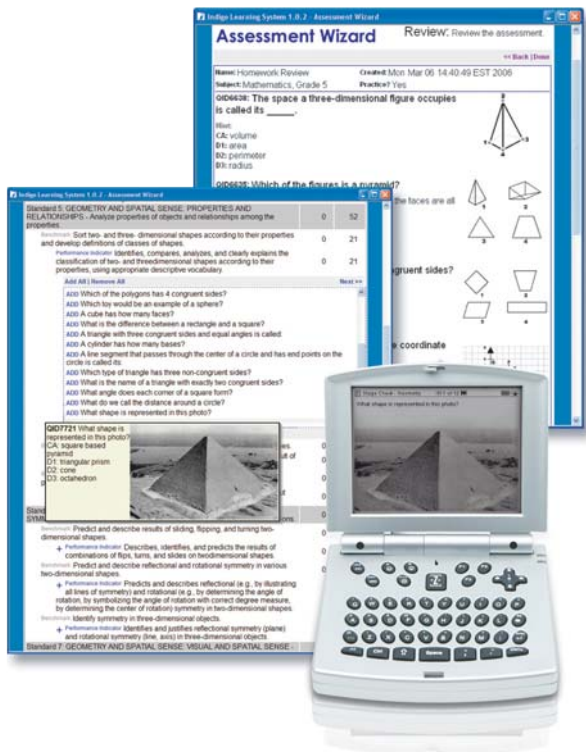

### The Evaluation Kit includes:

- 3 handheld computers
- 1 wall charger
- Wireless network access point
- Indigo Classroom Manager and assessment software
- Assessment questions, aligned to state standards
- Printed User's Guide

### The Indigo Learning System Lets You:

- Easily create your own quizzes and polls or use our bank of 10,000 standards-aligned test items
- Instantly review individual student or class progress on an assessment
- See standards-based and gradebook reports for the whole class or an individual student
- Ask fill-in-the-blank and essay questions and send the results back to students for review and discussion
- Import and deliver district benchmarks and return results to the district electronically
- Send content from web sites, eBooks, audio podcasts or other sources (such as PDF files) to students
- Allow students to browse the web
- Monitor student computer screens
- Send instant messages to the class

### Offer Details

- This offer is only available to schools, school districts and affiliated organizations.
- All evaluators must attend a 45 minute introductory Web-Ex session, conveniently scheduled
- This offer is limited to one Evaluation Kit and one system discount per customer.
- The \$250 discount may be applied to the purchase of a 24- or 32-handheld classroom set.

To schedule your introductory Web-Ex session and receive your free 30-day Indigo Evaluation Kit, contact LearningSoft at:
